Constant Inspiration is the Secret to Success

Lizelle Blignaut, one of our Justine Sales Leaders, tried her first Justine products years ago and was hooked instantly. In fact, she was so taken by the products that she decided to become a Consultant in 2005.

As Lizelle's journey with Justine continued, she managed to build a successful business and eventually became a Business Leader in 2019. She says she is successful because she is constantly inspired by our products. "I love what I do, and I love imparting this love to my team. Constant inspiration and a deep knowledge of our products are a sure-fire key to success," she explains.

Lizelle's own confidence has grown in leaps and bounds over the years with Justine. "I love working with other people and Justine has truly empowered me – not only by building my confidence, but by giving me the opportunity to spoil myself with the little luxuries in life." Speaking of luxury, she adds that her most recent must-have product is the heavenly scent of Celestial.

Lizelle continues to nurture her relationship with the deep, caring values of Justine as she inspires and motivates her team into even greater future successes.
